Austin Texas
November 19-22**

Call for Abstracts

14th Annual Texas EMS Conference Research Forum

General Information:

Texas EMS Conference and The University of Texas Health Science Center at San Antonio invite all paramedics, nurses, and physicians to present original work involving EMS research to the EMS community. A broad range of projects will be considered. Presentations will be in the form of a poster session during the conference.

The top 5 abstracts will be selected for a podium presentation.

Posters will be judged and an award will be presented for the best poster presentation.

★ ★ ★ Deadline for Abstract Submission: October 24, 2023 ★ ★ ★

Abstracts should be submitted to:

https://uthscsa.co1.qualtrics.com/jfe/form/SV_abLyMDMXywaGXCB

Questions should be directed to:

David Wampler, PhD, LP
UT Health San Antonio
wamplerd@uthscsa.edu

Abstracts will be reviewed for scientific merit and EMS relevance. It is acceptable to submit an abstract previously published within the last 12 months. Case reports with high EMS Impact will also be considered. Notification of abstract acceptance will be announced October 31, 2023.

Format for the abstract is as follows:

Title:

Presenting Author with Credential and Affiliation:

Co-Authors and Credentials:

Background: A brief description of why you performed this project (should also include your hypothesis)

Methods: How and what you actually did

Results: What you found

Conclusions: What does it mean?

Word count – maximum 2500 characters.
