The Texas Association of Air Medical Services (TAAMS) is a 501(c)(3) organization whose members include for-profit and not-for-profit medical transport service providers, suppliers, and individuals who have come together to share information, collectively resolve problems, and provide leadership and education to the air medical community.

Texas Emergency Medical Services personnel who lost their lives while on EMS duty are inducted into the Texas EMS Hall of Honor at the annual Texas EMS Conference each November. Since 2011, TAAMS has supported the Texas Department of State Health Service in their recognition of these Hall of Honor inductees. The Texas Association of Air Medical Services (TAAMS) sponsors an Event and a Silent Auction in conjunction with the annual EMS conference to help raise funds for any financial burden that these bereaved families might have to attend the ceremony, to award a 'Childrens' Scholarship each fall for post high-school education to one of their children, and to support the Texas EMS Line of Duty Death (LODD) Task Force programs. This year our Event and Silent Auction will be in Fort Worth on November 24, 2024.

We are asking your Organization to be recognized as supporting of our endeavors as an Event Sponsor and/or by providing a Silent Auction item. Sponsorships will be acknowledged in all online/print/social media and on the sponsor banner (with your logo) at the Event. Silent Auction items will clearly be marked with your company's contribution. If your organization is unable to assist for this year's event, we ask that you keep us in mind for our Event in 2025.

Thank you for your consideration,

Jim Speier
